MEMORANDUM

TO: All Staff
FROM: COVID-19 Incident Command Center
SUBJECT: ICC Directive 20-53 (In-Custody Transportation)
DATE: December 03, 2020

This Directive is intended for Sheriff's Office Personnel who have the responsibility of transporting in-custodies.

Earlier this week, the Personnel Division received a recommendation from Deputy Public Health Officer Dr. George Han regarding the transportation of in-custodies. Dr. Han stated that anytime anyone in custody is being transported in a vehicle, our staff needs to ensure proper ventilation by slightly opening both the front and rear windows. Additionally, all staff need to wear approved facial coverings at all times when transporting an in-custody. Please refer to ICC Directives 20-46, 20-47, and 20-48, which all address the requirements for face coverings.
