1 **INVESTIGATION:**

2

3 On 03-20-2002, at 1320, I was dispatched to Stanford University to

4 assist with an officer involved incident. I arrived at approximately

5 1330 hrs. and reported to the Command Post. I was told that there had

6 been an altercation between a subject, Palo Alto Police and Stanford

7 DPS, that resulted in the subject being fatally injured.

8

9 At the time of my arrival I noted that a large perimeter had been set

10 up along Stanford Ave between Junipero Serra Blvd and Raimundo Ave in

11 unincorporated Santa Clara County. The perimeter was being maintained

12 by Palo Alto Police and Stanford DPS personnel. Agent Scheff from

13 Palo Alto Police was maintaining a crime scene log of personnel.

14

15 Sgt. Geary arrived at 1330 hrs. and took control of the scene. The

16 detectives and command staff had already been notified and were

17 enroute.

18

19 I was assigned to interview several witnesses who were present during

20 most of the incident.

21

22 Deputy Aulman #1190 and his partner, Deputy Rowe #1748 arrived at

23 approximately 1423 to assist with the interviews. Refer to their

24 supplemental report.

25

26 **WITNESS STATEMENTS:**

27

28 **W01** Statement;

29

30 **W01** told me that at approximately 1305, she and her two

2 San Francisco Airport to catch a flight to Greece. As they drove,
3 they slowed for traffic. Suddenly, she heard W02, who was driving,
4 say "Whoa, what's going on."
5

6 W01, looked up from her position in the rear seat. She saw a silver or
7 gray car coming toward them. She saw a police officer's legs hanging
8 out of the open passenger window. The silver car turn directly toward
9 their car and accelerated. The car struck W01's car in the front
10 left.

11 The silver car glanced off of W01's car and continued past them, and
12 stopped on the shoulder. (northside).
13

14 She saw two officers on the passenger side of the silver car.

15 told me that she thought she heard one of the officers
16 say to the other "Go get the Mace" although she was not completely
17 sure of what was said.
18

19 W01 and her friend decided to get out of the car and run to the grassy
20 area across the road (south).
21

22 They crouched down with their heads down, with their backs to the
23 incident taking place.
24

25 She heard commotion behind them, prompting them to move further south
26 in the grassy area.
27

28 W01 heard a female voice say "Oh My God" and then heard one or two
29 shots. She looked toward where she heard the shots and saw two
30 officers with their handguns drawn. She then saw them fire once or

2

3 The silver car started to back up toward the officers. It then stopped
4 and moved forward, turning toward the ditch behind some trees beyond
5 the shoulder (north side). She then noticed an officer lying on the
6 ground.

7

8 After the incident, more officers arrived. One asked if anyone had
9 witnessed the incident. She and her friends came forward.

13

14 Statement of W02 ;

15

16 told me that at 1310, he was driving west on Stanford Ave. He
17 was taking W01 to San Francisco Airport to catch a flight to
18 Greece.

19 He had just driven west through the intersection of Stanford Ave at
20 Raimundo when he saw some kind of commotion ahead of him.

21

22 He saw a silver vehicle, possibly a SAAB. It was parked at the north
23 shoulder of the road facing west. Suddenly the car drove forward at a
24 high rate of speed and made a U-turn in front of him.

25 The car was now coming toward him. He could see a pair of legs, in
26 blue pants, hanging straight down the side of the passenger door,
27 with the torso inside of the car.

28

29 The car then struck the left front of his car as it turned in front of
30 him. The silver car went mid-way past the passenger side of his car

1 and stopped.

2

3 W02 said to his passengers, "Let's get out of the car."

4

5 W02, with his friends, ran across the street (south) toward a grassy
 6 area. They stopped a few feet past the roadway. W02 turned around to
 7 look and saw the silver car had somehow turned around again and was
 8 again driving west.

9

10 He saw an officer lying on the ground and then heard two or three gun
 11 shots. W02 did not see who had fired or from where.

12

13 The silver car then swerved toward the trees and disappeared over the
 14 edge.

15

16 He then joined his friends, who had run further into the grassy
 17 area.

18

19 He watched as more officers arrived. When an officer asked if anyone
 20 had seen what at happened, he and his friends came forward.

22 **END OF STATEMENTS**

23

24 **CRIME SCENE LOG:**

25

26 At 1525, I relieved Palo Alto Agent Scheff as Log Keeper. It should be
 27 noted that he followed his department procedure by only logging those
 28 personnel who actually entered the inner perimeter, rather than all
 29 personnel who were involved in the investigation.

1 also told me of a plaster cast footprint impression he had made,
 2 in this same case, from the point the kidnap/carjack victim("V"#5
 3) had been dropped off in Redwood City.

4
 5 advised that Redwood City Police had custody of the plaster
 6 cast.

7
 8 I made telephone contact with Redwood City Police Detective Galotta
 9 and inquired about the plaster cast footprint impression. Detective
 10 Galotta also informed me that a roll of 35mm film had been recovered
 11 from the Redwood City victims vehicle. He had developed the film and
 12 shown the photos to the victim, but the photos did not belong to the
 13 victim.

14
 15 I made an appointment with Detective Galotta for 5-15-02, 1100 hrs, to
 16 view the photos and plaster cast footprint impression.

17
 18
 19 Followup at HQ with "S" recovered shoes:

20
 21 I requested Sgt. Imas, Evidence Unit Supervisor, take photos, and
 22 inked impressions, of "S" shoes recovered from the BMW. He
 23 did so and provided me the photos(section "K", pages 193-212 of Photo
 24 legend) and two sets of inked impressions.(item #1 of evidence-this

3 Followup at Redwood City Police Department:

4

5 I met with Redwood City Police Detective Galotta at the Redwood City
6 Police Department.

7

8 I viewed the plaster cast footprint impression(item #2 of
9 evidence-this report) and compared it to the photos provided by Sgt.

10 Imas. The plaster cast impression appeared to match the right shoe of

11 "S"

12

13 Detective Galotta released the plaster cast impression to me for
14 further investigation.

15

16 I then viewed the 35mm photos, that had been developed by Detective
17 Galotta, and which ("V"#5) confirmed were not her
18 property.

19

20 The photos(refer to section "L", pages 213-215 of photo legend) had a
21 date on the face of the photos of "98 2 1" and depicted the following

22 scenes:

23

24 A- several photos of what appeared to be a grade school classroom and
25 students

26

27 B- several persons of late teen/early adult age, some of black
28 ethnicity, and one of hispanic ethnicity, in a vehicle. The hispanic

29 person is a male, large build, wearing a tan "floppy" hat. This

30 person appears to be "S" at approximately age 16-17.

1 I met with _____ and provided him a copy of a booking ID sheet
 2 for "S" _____ that included ten-print fingerprints.

3
 4 _____ gave me a copy of latent fingerprints he had recovered from the
 5 victim vehicle from Redwood City PD's case. _____ is also in the
 6 process of obtaining a copy of photographs of the victim vehicle,
 7 taken at the time of the Redwood City event. He will contact me when
 8 those photos are available.

9
 10
 11 Followup at S/O HQ:

12

 19
 20 5-16-02

21
 22 I submitted the fingerprints I had received from San Mateo County
 23 Crime Lab- _____, to the Fingerprint Unit at HQ for comparison
 24 with "S" _____ fingerprints. Results pending.

25
 26 I requested and received, from the Evidence Room, the red tennis
 27 shoes (evidence item #51).

28
 29 I then viewed the sole of the shoes, compared to the plaster cast
 30 footprint impression I had received from Redwood City Police. I

1 observed several characteristics of the sole of the right shoe that
 2 appeared to match characteristics of the plaster cast footprint
 3 impression.
 4
 5 I requested Sgt. Imas take additional photos of the sole of the right
 6 shoe and the plaster cast footprint impression for comparison
 7 purposes.
 8
 9 I contacted DMV and requested a copy of the CDL photo of "S"
 10 from the first drivers license issued to him. I was advised by
 11 at DMV that there were two photos available, one from 1998
 12 and one from 2000. I requested the 1998 photo be sent to me via
 13 TRAK.
 14
 15
 16 Followup with red tennis shoes and plaster cast footprint
 17 impression:
 18
 19 Sgt. Imas took color, and black and white photos, of the sole of the
 20 right tennis shoe. He then traced the distinctive characteristics of
 21 the shoe pattern onto clear plastic to create an overlay of the
 22 pattern.
 23
 24 Sgt. Imas then took color photos of the plaster cast footprint
 25 impression.
 26
 27 Sgt. Imas then showed me the overlay of the shoe pattern
 28 characteristics placed onto the photo of the plaster cast footprint
 29 impression. The distinctive pattern characteristics of the overlay
 30 matched the characteristics of the photo of the plaster cast

10

11 I reminded that I was not investigating any event in which he
12 was a suspect and I was interested only in information he could
13 provide as a witness.

14

15 stated he had discussed our last conversation with his
16 attorney, and had been advised by his attorney not to discuss his
17 case with me. I asked if he were willing to discuss
18 and any information about criminal acts was involved
19 in, that he may have personal knowledge of. agreed to talk to
20 me. I told he could decline to talk about any areas he
21 wished.

22

23 I asked if he had any idea if kept any of the missing
24 property from the Lincoln Navigator (Redwood City case).

25

26 He stated he did not know about any of the property. stated he
27 left with the Lincoln, after they were done with it.
28 that dropped him off, then left with the Lincoln.

4

5 INTERVIEW WITH "W"#14 _____ :

6

7 _____ stated she was running on Stanford towards Junipero Serra, on

8 the creek side of the road. She stated she ran past a silver BMW that

9 was parked on Stanford, just past Raimundo.

10

11 She stated she observed a single male subject("S" _____), seated in

12 the driver's position, in the BMW. She described the subject as a

13 male, wearing a long sleeved red shirt and navy blue or dark pants.

14 She said he was he only occupant of the BMW.

15

16 She did not notice if any of the windows were down. She noticed, as

17 she approached, the subject appeared to be ready to exit the BMW, but

18 hesitated as she approached and past his location.

19

20 _____ ran to Junipero Serra and turned around to run back the same

21 direction she came from, when she observed a Stanford Sheriff's unit

22 had stopped Stanford and a male officer("V"#2 _____ was walking

23 around the front of the unit. She observed the officer start walking

24 along the path, on the same side of the road she was on, towards

25 Raimundo.

26

27 As she ran, she noticed the subject from the BMW, still wearing the

28 red long sleeved shirt, exit the bushes on the creek side of the

29 roadway. She stated he was not carrying anything in his hands. This

30 was the same side of the roadway _____ was on.

2 At about this time, she observed a female Palo Alto officer ("V"#1

3 Perryman), on foot, coming from the other direction. (from the area of

4 Stanford/Raimundo)

5

6 At this point the subject from the BMW("S") quickly moved to

7 the driver's door of the BMW, got in, and started the engine. The

8 female Palo Alto officer ("V"#1 Perryman) arrived at the driver's door

9 and put her arms into the driver's window of the BMW.

10

11 stated she could not see what the female officer was doing,

12 but she assumed she was trying to control the movement of the BMW.

13

14 At this point, crossed the roadway to the opposite side for

15 her own safety. As she crossed the roadway the BMW pulled out and

16 came within 2' feet of her. stated she believes the BMW

17 probably would have struck her if it continued in the same

18 direction.

19

20 The BMW pulled out onto Stanford, facing toward Junipero Serra. She

21 could see that the female officer and the driver were both struggling

22 for control of the steering wheel. stated she could see the

23 legs of the female Palo Alto officer kicking the air, and her body

24 approximately half way into the driver's window.

25

26 The BMW pulled out across both lanes of Stanford, with the female

27 officer partially in the driver's window. stated it appeared

28 her head was in the lap of the driver("S").

29

30 stated the BMW drove out, stopped, reversed direction briefly,

4
5 stated she saw the BMW was accelerate, then slam on the brakes
6 numerous times during the course of this event.

7
8 At this point the BMW struck a red vehicle, that was traveling on
9 Stanford toward Junipero Serra. She stated the front of the BMW
10 struck the left front of the red car.

11
12 said she could hear the female officer("V"#1 Perryman) yelling
13 during this entire event, but she could not discern all of the
14 specific words. At one point she heard a male voice yell something,
15 but could only discern the word, "Fuck". She did not know whether it

1 She heard the sound of metal scraping against metal, and saw the BMW
 2 backing away from the white patrol vehicle.

3
 4 At this point was 30 to 40 meters away, and moving toward
 5 Raimundo, when she heard a shot. She did not see who fired the shot.
 6 She then stepped behind a tree to hide from any additional gunfire.
 7 She heard 2 or 3 more shots. She stated the shots sounded like they
 8 hit something metal.

9
 10 stated she did not see the BMW come to a complete stop and the
 11 driver put his hands up.

12
 13 did not see the BMW move, after the first shot, because she
 14 was behind a tree. When she heard sirens approaching, she assumed the
 15 situation was under control so she continued her run. Just prior to
 16 leaving the area, looked back and saw the male officer, but
 17 she did not see the female officer. She saw the male officer was
 18 kneeling down on the ground, but could not see what he was doing
 19 because the red vehicle was blocking her view.

20
 21 I asked to draw a diagram of the movements of the BMW, as she
 22 remembered them.

23
 24 I booked the diagram drew into S/O evidence.

25
 26 Investigation continuing.

1 I was present when Evidence Techs Sgt. Imas and Detective Stephans
 2 processed the BMW for evidence. At that time I observed there were
 3 four(4) black gloves in the vehicle. One matched set, and two
 4 unmatched gloves. All these gloves appeared to be for a person with
 5 small hands. (refer to supplemental written on 3-25-02)

6
 7 3-27-02

8
 9 I made telephone contact with "V"#5 to advise of the items
 10 located in the BMW.

11
 12 "V"#5 advised me she had purchased two sets of matching black
 13 leather gloves for herself. She was in possession of one set. The
 14 other set had been in her vehicle when it was stolen from her on
 15 1-5-02 in Redwood City (Redwood City event)

16
 17 I asked her if she would be able to identify the glove(s), and she
 18 stated she would because she was still in possession of the second
 19 pair.

20
 21 I requested Detective Stephans and Sgt. Imas to return to the BMW,
 22 photograph and collect the gloves as evidence.

23
 24 4-1-02

25
 26 I received the digital photos of the gloves from the BMW, from Sgt.
 27 Imas.

28
 29 I contacted "V"#5 and made an appointment to meet with her, at
 30 her residence on 4-2-02, to show her the photos.

1 At 1312 hours, the dispatcher on Control 2 requested that I call Radio
2 code two. County Com. advised, over the phone, that a Stanford DPS
3 officer had just been involved in an officer involved shooting.
4
5 County Radio also advised that Stanford was requesting my code three
6 response to the area of Stanford Ave. and Junipero Serra Blvd., and
7 the response of .
8
9 I advised that I was responding from Hwy 9 and Hwy 17, and to have
10 respond code two to the scene.
11
12 After getting off the phone with County Com. I phoned Sgt. Tait at the
13 West Valley Station and requested that he make the necessary
14 notifications.
15
16 I arrived on Stanford Ave. south of Junipero Serra at 1330 hours and
17 made contact with Stanford DPS Capt. Bruno.
18
19 Capt. Bruno advised that a Stanford DPS officer and Palo Alto PD
20 officer had been involved in a shooting. Capt. Bruno advised that
21 the Palo Alto officer was transported to Stanford Hospital with a
22 possible broken leg, and the Stanford DPS officer had been
23 transported back to the Stanford DPS Headquarters.
24
25 Capt Bruno also advised that the suspect had just been place into an
26 AMR Ambulance was about to be transported to Stanford Hospital. A
27 Stanford DPS officer was in the ambulance with the suspect.
28
29 Capt. Bruno advised that the Palo Alto officer's duty weapon was still
30 in the crime scene and was covered with a cone, next to the Palo Alto

1 PD marked patrol car. The duty weapon from the Stanford DPS officer
 2 had been secured along with the officer's duty gear, at Stanford DPS
 3 Headquarters.

4
 5 Capt Bruno stated that two Stanford Community Service Officers had
 6 seen a person that had matched the description of an auto burglary
 7 suspect from the prior day. When the first Stanford DPS officer
 8 arrived on the scene, he drove past the suspect and stopped. The
 9 Palo Alto officer was the next to arrive and stopped prior to
 10 reaching the suspect.

11
 12 Capt. Bruno stated that he did not know the exact details from this
 13 point, but that an altercation between the suspect and the two
 14 officers occurred. The suspect was able to get into a Silver BMW and
 15 start the car. Sometime during the incident, the Palo Alto officer
 16 was pinned between her car and the suspect's BMW. Both officers
 17 discharged their weapons. The suspect in the BMW pulled forward,
 18 then swerved between two cars and into the creek area to the north
 19 side of Stanford Ave.

20
 21 Upon my arrival, I notice and outer perimeter had been set up at
 22 Stanford Ave and Junipero Serra to the west of the incident, Stanford
 23 Ave. and Raimundo Way to the east, Raimundo Way and Cedro Way to the
 24 north, and Raimundo Way and Wing Pl. to the south.

25
 26 An inner perimeter was set on Stanford Ave., from Raimundo Way,
 27 approximately 150 feet north. The inner perimeter was taped of to
 28 include all of Stanford Ave. north to the creek bed.

29
 30 Both the inner perimeter and outer perimeter were mark with yellow

1 "police line" tape.

2

3 I took control of the scene after my arrival and ordered all officers
4 out of the inner perimeter. I also did a quick cursory check of the
5 inner perimeter for any items that could possibly be either a threat
6 or needing immediate attention.

7

8 Capt. Bruno advised that witnesses were in a secured area on Stanford
9 Ave. next to the scene.

10

11 Capt. Bruno also advised that Palo Alto P.D. agent Scheff was
12 maintaining a log of all parties that were present at the scene,
13 within the outer perimeter.

14

15 I direct , Deputy McCoy to start taking statements from some of
16 the witnesses and that he would be completing the face sheet for the
17 original report.

18

19 At approximately 1345 hours, Detective Sgt. Contreras arrived and took
20 control of the scene.

21

22 I advised Sgt. Contreras what I was told by Capt. Bruno regarding the
23 incident.

24

25 Sgt. Contreras requested that the south outer perimeter be moved
26 south.

27

28 I made contact with Capt. Bruno and requested that the outer perimeter
29 on Stanford Ave. at Raimundo Way be moved to Stanford Ave and the
30 area of Lucille Nixon School.

 7 involved.

8

9 I tape recorded the statement. The following is a synopsis of the

11

12 **STATEMENT OF "W"#14 :**

13

14 stated she had just left a doctor's appointment and was s/b El
 15 Camino Real at Embarcadero, in Palo Alto. She observed a silver BMW,
 16 with a paper license plate on the rear. She recalled the time to be
 17 12:15 pm, because she had just left the doctor's office.

18

19 said her attention was attracted to the BMW because the paper
 20 license plate had lettering advertising a BMW dealership in Colma.

21 stated she had never seen an license plate advertisement for a
 22 BMW dealership in Colma and she remembered the vehicle for that
 23 reason.

24

25 remained in the left turn lane for s/b El Camino Real onto
 26 Embarcadero. The BMW moved one or two lanes to the right and
 27 continued south on El Camino. She did not see the driver, or if there
 28 were more than one occupant.

29

30 stated she heard the evening news about the incident involving a

1 On 03-20-02 at about 1420 hours, I was contacted by phone and told to
2 respond to Stanford to assist with an officer involved shooting. I
3 arrived at about 1450 hours along with Deputies Morgenthaler,
4 Grisenti and Neusel. The scene was secured prior to our arrival. I
5 took digital photos from outside the perimeter. Deputy Sontra
6 arrived at about 1500 hours. About 1900 hours the Evidence Techs
7 allowed us access to the scene to take measurements for the factual
8 diagram. We used the Nikon Main Station survey tool to measure the
9 scene. We measured the evidence and location of the vehicles at the
10 scene. I also took more digital photos. After the measurements were
11 taken, they were done loaded to my laptop using the AIMS drawing
12 software. I took a total of 64 photos. We cleared the scene at
13 about 2315 hours. Deputy Morgenthaler was assigned to finish the
14 factual diagram using the AuotSkecth program.

5 1- Reports from City of Belmont-numbered 1-16

6

7 Investigation:

8

9 3-25-02

10

11 I responded to the Junction impound yard to view the BMW while

12 Evidence Techs Sgt. Imas and Detective Stephans processed the

13 vehicle.

14

15 I arrived at Junction at 1055 hrs.

16

17 Sgt. Imas and Detective Stephans were already on scene an preparing to

18 process the vehicle.

19

20 Sgt. Imas directed my attention to black scuff marks on the exterior

21 of the drivers door. These marks appeared to have been left by the

22 duty belt of "V"#1 Jessica Perryman.

23

24 I also observed red paint transfer on the right side of the BMW, and

25 white paint transfer on the left front quarter panel and drivers

26 door.

27

28 Sgt. Imas and Detective Stephans located a large screwdriver, inside a

29 red knit cap, on the right front footwell.

1 Sgt. Imas removed the black case, which I addressed in my supplemental
 2 report on 3-23-02, page 33, line 19. Sgt. Imas removed the case,
 3 opened it and confirmed it was a computer. I observed Sgt. Imas
 4 locate a Hewlett-Packard identification tag in the name of "V"#3
 5
 6
 7 Refer to Sgt. Imas/Detective Stephans report for additional details on
 8 evidence found in the BMW.
 9
 10 I cleared the Junction impound yard at 1155 hrs.
 11
 12
 13 **Followup:**
 14
 15 When I arrived at HQ I found a packette of documents from the Belmont
 16 Police Department, related to this event.
 17
 18 I numbered the pages 1-16 and booked them into S/O evidence.

1 On 3-20-2002 at approximately 1530 hours, I was advised by County
2 Radio to respond to Stanford Ave off of Junipero Serra (Stanford
3 jurisdiction) to assist with this investigation. I arrived at
4 approximately 1615 hours to assist with diagramming the scene of the
5 shooting. Deputies Taylor, Morganthaler, and I were in charge of
6 setting up the Nikon Total Station to take our scene measurements. We
7 were cleared to set up at approximately 1730 hours and finished our
8 measurements at approximately 2315 hours. Our measurements included
9 the cars in the crime scene, evidence from the shooting, and some
10 vehicle debris from the traffic collisions.

2

3 **Correction on information from supplemental report of 3-23-02:**

4

5 **"V"#4** is listed as the victim of an attempted
 6 **auto burglary. That information is not accurate.**

7

8 **"V"#4** vehicle was within the crime scene perimeter and
 9 **was fingerprinted. A fresh palm print was recovered by Detective**
 10 **Stephans from the right side of that vehicle. Refer to Detective**
 11 **Stepans report for more details.**

12

13 **"V"#6** vehicle was the victim of an attempted
 14 **auto burglary. This information is also contained in Detective**

1 Investigation:

2

3 I received a page from Sheriff's Operations at 1340 hrs, 3-20-02 and
4 was advised of an officer involved shooting at Stanford/Raimundo,
5 Stanford.

6

7 I responded to the scene and arrived at 1410 hrs.

8

9

10 SCENE:

11

12 I observed numerous vehicles parked on both sides of Stanford, south
13 of Raimundo, where the event occurred. There were police, sheriff,
14 Stanford and civilian vehicles within the perimeter.

15

16 Sgt. Contreras was already on scene and briefed me on the details
17 known at the time.

18

19 Sgt. Imas had been directed to respond to Stanford hospital, where
20 both "S" and Palo Alto Police officer Jessica

21 Perryman("V"#1) had been transported. Refer to Sgt. Imas's report for
22 details.

23

24 I was advised at approximately 1500 hrs that the suspect had been
25 declared dead at Stanford hospital.

26

27 At the time of the investigation at the scene, the identity of "S"
28 was not known. "S" was not positively identified
29 until 1645 hrs on 3-21-02.

10 Statement of "W"#1

11

12 This interview was taped recorded. The following narrative is a
13 synopsis of the interview.

14

15 At the beginning of the interview I introduced the parties present. I
16 then asked to tell what he observed.

17

18 stated he and were enroute back to the DPS
19 building, in the same vehicle. stated he was the driver,

20 ("W"#2) was the passenger. was driving north on

21 Stanford when he observed a suspect walking along the west side of
22 Stanford avenue looking into the parked vehicles. stated he

23 also observed the suspect was wearing red tennis shoes. The shoes

24 attracted his attention because of a description of a previous auto
25 burglary suspect that had been wearing red tennis shoes. also

26 stated that the suspect he observed, on Stanford, was wearing a red
27 shirt, black pants, and had nothing in his hands.

28

29 further described the suspect as male, hispanic, with black
30 hair and facial hair, 5'9"-11", 190-210 lbs, late 20 or early 30's.

1
2 impression was that he was not dressed as a jogger would be
3 dressed, and most of the vehicles parked in the area belong to
4 joggers.

5
6 explained that he recalled information passed on to him, via an
7 off duty probation officer who had obtained a good description of two
8 auto burglary suspects. stated this information was
9 approximatetly two weeks old. stated he was also aware of a
10 series of auto burglaries in the area of Stanford/Raimundo occurring
11 to park vehicles.

12
13 stated he pointed the suspect out to as they drove
14 passed the suspect.

15
16 notified his dispatcher of a suspicious person as he passed the
17 suspect. They then drove to the intersection of Stanford and
18 Raimundo, turned left, made an immediate U-turn, then turned south
19 onto Stanford.

20
21 As they turned onto Stanford, the suspect was no longer visible.

22
23 stated they drove south to Junipero Sierra, U-turned and
24 parked, to see if the suspect re-appeared and to await the DPS unit
25 that was responding.

26
27 As they were waiting, said he saw the suspect re-appear from
28 the bushes from the west side of the roadway, the same side of the
29 roadway where he had originally seen him. At the same time, he
30 observed that Deputy Bell("V"#2) was arriving.

1

2 stated he used his radio to direct Deputy Bell to the location

3 of the suspect.

4

5 As Deputy Bell stopped, stated he observed the Palo Alto police

6 unit arrive on scene, to the rear of Deputy Bell's position, but

7 closer to Raimundo.

8

9 At this point they () were still parked on Stanford

10 near Junipero Sierra.

11

12 stated he heard the Palo Alto officer telling some one to stop.

13 He stated the officer's voice sounded agitated so he and

14 decided to move closer to assist if they were needed.

15

16 stated he observed that traffic had started to back up, due to

17 the police activity. As they neared the position of the Palo Alto

18 officer, he(observed the Palo Alto officer's upper torso was

19 approximately half way into the driver's window of the BMW. Only the

20 officers leg's and buttocks were outside of the window.

21

22 observed the BMW start to move.

23

24 The first movement of the BMW was to back up and strike the vehicle

25 parked directly behind the BMW. The BMW then moved slightly to the

26 right and moved forward. This movement caused the legs of the Palo

27 Alto officer to strike the parked vehicle directly in front of the

28 BMW.

29

30 At this point the BMW again backed up, then pulled out onto Stanford

1 and struck a vehicle that was south bound in the roadway. The Palo
 2 Alto officer was still in the same position in the drivers window of
 3 the BMW.

4
 5 stated he could hear the Palo Alto officer yelling "Stop, stop.
 6 I'm going to shoot you", but he could not see if she had her weapon
 7 out.

8
 9 stated that the BMW then backed up again and struck another
 10 vehicle, at which point the Palo Alto officer fell out of the drivers
 11 window. At that point heard a shot fired.

12
 13 then heard additional shots fired. He believes that the Palo
 14 Alto officer fired one shot, and Deputy Bell fired two shots.

15
 16 I asked to draw a diagram of the movements of the BMW. (item
 17 #7(1) of evidence)

18
 19 stated that Deputy Bell and Palo Alto officer Perryman were
 20 yelling at the suspect to stop during the entire incident up to the
 21 point shots were fired.

22
 23 When additional police units arrived, stated that he was
 24 directed to wait on the opposite side of the street until
 25 contacted.

3
 4 told to block the BMW's escape with thier vehicle, but the
 5 BMW made a U-turn and was now facing north on Stanford, still with
 6 the Palo Alto officer in the window.

7
 8 The BMW then made another turn that placed it facing into the bushes
 9 on the west side of Stanford, adjacent to the position of the Palo
 10 Alto police unit.

11
 12 stated it appeared to him that the suspect was trying to smash
 13 the Palo Alto police officer into the Palo Alto police unit.

14 stated that the officers legs did hit the police unit. He stated he
 15 did not understand why her legs were not severed from hitting the
 16 police unit.

20
 21 recalled that there were other vehicles parked in front of and in

 4 that she had her weapon in her right hand, close to the suspects

1 At the beginning I introduced the parties present. I then asked Jeff

2 to tell us what he observed.

3

4 Jeff stated he heard, just prior to 1300 hrs, a suspicious person

5 reported by ("W" #1).

6

7 As he responded, he heard a further description of the suspicious

8 person as a hispanic male, with red shoes, red shirt, black pants.

9 The suspect was under observation for a while, but then

10 advised he had lost sight of the suspect.

11

12 While responding, Jeff passed a Palo Alto police unit.

13

14 As Jeff arrived in the area, the suspect came back into

15 view. gave direction to Jeff, via radio, as to the suspects

16 location.

17

18 Jeff drove to the location but did not see the suspect. He exited his

19 patrol vehicle, walked to the west side of the road, and observed the

20 suspect north of his position, walking north toward the Palo Alto

21 officer's location.

22

23 Jeff lost sight of the suspect as the suspect neared the position of

24 the Palo Alto officer. Jeff then heard the Palo Alto officer, via the

25 radio. He did not recall the radio traffic, but he could tell from

26 her voice that she needed assistance, so he started running to her

27 location.

28

29 When Jeff arrived he observed the Palo Alto officer was leaning into

 5 The BMW then pulled out onto Stanford with the Palo Alto officer still
 6 in the window.
 7
 8 The BMW then hit another vehicle on Stanford, while the Palo Alto
 9 officer is still hanging half in, half out of the drivers window.
 10
 11 Jeff stated he ran to the passenger side of the BMW, which had stopped
 12 at this point, to try to pepper spray the suspect.
 13
 14 Jeff sprayed the suspect with pepper spray but it had no effect.
 15
 16 Jeff stated he and the Palo Alto officer were yelling for the suspect
 17 to stop. Jeff recalled the suspect saying something similar to, "I
 18 didn't do anything wrong. Leave me alone. Let me go".
 19
 20 He then reached in, through the open passenger window, and tried to
 21 remove the key from the ignition, but the suspect pushed his hand
 22 away from the key.
 23
 24 The BMW began moving again, but Jeff could not recall if the BMW moved
 25 forward or backward.
 26
 27 Jeff lost sight of the Palo Alto officer as the BMW started to move.
 28
 29 The BMW struck another vehicle, on the side of the road, then began a

8

9 Jessica stated she was traveling west bound(toward Junipero Sierra) on
 10 Stanford when she heard a radio dispatch from a Stanford community
 11 service officer. The dispatch relayed information about a suspect in
 12 the area of Junipero Sierra and Stanford that matched the description
 13 of a auto burglary suspect.

14

15 She had knowledge that there had been auto burglaries in that area
 16 recently.

17

18 She observed the Stanford Sheriffs unit arrive and heard additional
 19 radio traffic that the suspect had re-appeared and was looking into
 20 vehicles.

21

22 The description given was a hispanic male with; red long sleeved
 23 shirt, red shoes, and facial hair.

24

25 Jessica stated she observed the Stanford unit had stopped and then she
 26 noticed a "dot" of red on the creek side of Stanford ave.

27

28 She parked and observed the suspect with a red shirt, crouched down
 29 and walking in her direction.

1 As the suspect got closer to her, he seem to "pop up" (stood erect) and
2 started walking more quickly in her direction. Jessica stated she
3 spoke to the suspect and asked to him to stop so she could speak with
4 him, but he did not respond to her request. He looked directly at her
5 and ignored her.

6
7 Jessica stated she moved forward and the suspect continued to
8 approach. He then ran to a silver BMW and she confronted him at the
9 drivers door. They struggled as she tried to prevent him from
10 entering the BMW, but he overpowered her and enters the vehicle.

11
12 She observed the suspect was trying to place a key in the ignition, so
13 she reached in through the drivers window and took hold of his right
14 wrist with her right hand in an attempt to prevent him from inserting
15 the key into the ignition.

16
17 Jessica stated they struggled back and forth, but he overcame her and
18 put the key into the ignition. He then turned the ignition on. At
19 this point she had her left arm into the drivers window, through the
20 steering wheel, as well as her right arm grasping the suspects right
21 wrist.

22
23 The suspect turned the ignition on, then Jessica turned it off. He
24 turned it on again, and she got it off again. Finally, he turned it
25 on and the vehicle began to move. The vehicle then struck something.
26 She felt the impact but could not see what the BMW struck.

27
28 Jessica stated her head was almost in the suspect lap, so she could
29 not see where the BMW was moving to.

1 Through out this struggle, Jessica stated she was ordering him to
 2 stop, and turn off the engine.

3
 4 Jessica stated, after the first impact, she felt someone beside her,
 5 outside the vehicle. She was not sure who that person was, at this
 6 point, but she started yelling, "I'm stuck, I'm stuck, shoot,
 7 shoot".

8
 9 At this point, Jessica's left arm is entwined in the steering wheel,
 10 her right hand is still grasping the suspects right wrist, and she
 11 has been pulled further into the vehicle due to the struggle, to the
 12 point that her upper thighs were on the lip of the window and she was
 13 unable to pull free.

14
 15 Jessica stated she could not draw her weapon due to the position of
 16 her body against the vehicle. Her feet were off the ground, so she
 17 had no leverage to free herself, and she again felt the vehicle start
 18 to move.

19
 20 She believes the movement of the vehicle was primarily in the forward
 21 direction, however she was stuck in the drivers window, unable to
 22 free herself.

23
 24 Jessica stated that the BMW struck again something. At this point, her
 25 feet were touching the ground and she could feel her legs being
 26 pulled under the BMW as it started to move. She believed that she was
 27 going to be pulled under the BMW and it was going to run her over.
 28 Also at this point, her legs were trapped between the BMW and another
 29 vehicle. As the BMW moved, her legs were being squeezed tighter and
 30 tighter between the two vehicles.

6

7 The suspect then stopped briefly, and put his hands up. He looked

10 stated she was yelling at the suspect and she heard some one else
11 yelling at the suspect. She assumed this was the Stanford deputy she
12 had seen earlier. The suspect then quickly dropped his hands to the
13 steering wheel and gear shift.

14

15 The BMW started moving in reverse again, squeezing her legs tighter,
16 at which point she fired one shot at the suspect. Jessica stated she
17 was very close to the suspect when she fired the shot.

18

19 Jessica stated she aimed for center mass, not any particular target.

20

21 She was now able to break completely free of the BMW, and fell to the

23

24 Jessica stated, after she fired one shot, she stood up briefly, but

1 "S" face had already been exposed by the medical examiner,
 2 Dr. Vertes, when I arrived. I compared the prior booking photo with
 3 the subject and both appeared to be the same person.

4
 5 I observed a single gunshot wound in the rear left upper arm area. I
 6 did not observed any other injury. There were no salient
 7 characteristics.

8
 9 Dr. Vertes conducted the autopsy and concluded the cause of death was
 10 a penetrating gunshot wound from close range. In Dr. Vertes opinion,
 11 due to the stipling at the entrance wound, the shot was fired from a
 12 distance of 12" to 24".

13
 14 I was advised that family members had already contacted the medical

21
 22
 23 I made telephone contact with her and tape recorded the interview. The
 24 following narrative is a synopsis of the interview.

25
 26
 27 STATEMENT OF "W"#13 :

28
 29 stated she was on Stanford ave driving toward the hills. She
 30 stopped at the intersection of Stanford/Raimundo and observed a

1 couple of other vehicles stopped in the area.

2

3 She then observed a silver BMW do a real fast U-turn on Stanford ave.

4

5

6 She observed some one was hanging out of the drivers window of the
 7 BMW. She stated she saw the persons head and torso in the car with
 8 legs hanging out of the window.

9

10 stated the BMW was initially facing toward the hills (towards
 11 Junipero Sierra) on Stanford, in the same direction she was
 12 facing. When the BMW made the U-turn, in crashed into a small brown
 13 vehicle that was in front of her on Stanford. At this point
 14 the BMW had almost made a 360 degree turn, and was facing
 15 position, but was prevented from completing the turn because it
 16 struck the brown vehicle.

17

18 recalled the BMW hit the brown vehicle in the drivers side front
 19 corner. At this point the BMW backed up, so that it was now backing
 20 in the direction of Junipero Sierra. It moved in this manner only
 21 briefly, then pulled forward again, in the direction of Raimundo.

22

23 After this first impact, the occupants of the brown vehicle got out
 24 and ran to the other side of the roadway.

25

26 thought the BMW was attempting to maneuver around the brown
 27 vehicle so it could make another U-turn, which would place it facing
 28 toward Junipero Sierra, the direction it was originally facing.
 29 Instead of making this U-turn, the BMW quickly moved toward the
 30 bushes on the creek side of the roadway.

1 **INVESTIGATION**

2

3 On March 20, 2002 at approximately 1330 hours the Sheriffs Operations
 4 desk paged me. I called the OPS desk and made contact with Deputy
 5 Evans who advised me there had been a shooting on the Stanford
 6 University campus and I was being requested to respond. I was told
 7 the shooting scene was at Stanford Ave near Raimundo. I began my
 8 response from the Palo Alto Court and arrived on scene at
 9 approximately 1340 hours.

10

11 I arrived at the scene from the Junipero Serra Boulevard side of
 12 Stanford Ave. Stanford Ave runs in an east/west direction and is a
 13 two-lane roadway (See Crime Scene Investigators report for a detailed
 14 description). I parked my unmarked vehicle outside the outer
 15 perimeter that had been established by Palo Alto PD and Stanford
 16 DPS.

17 The outer perimeter was identified by yellow police barrier tape. From
 18 my location I could see what appeared to be an inner perimeter that
 19 had also been established.

20

21 As I viewed the scene from the outer perimeter I noted that there were
 22 numerous private vehicles parked on both sides of Stanford Ave. In
 23 the inner perimeter in addition to private vehicles I noted that
 24 there were several police vehicles (both Stanford and Palo Alto
 25 units) in stationary positions. There also appeared to be at least
 26 two private vehicles in awkward positions on the roadway within the
 27 inner perimeter (See Crime Scene and Traffic Investigators reports
 28 for a detailed description of the scene).

29

30 I identified myself to a Palo Alto police officer that was logging

1 personnel as they arrived on scene. I then entered the outer
 2 perimeter and proceeded to Sergeant Patrick Geary's location.
 3 Sergeant Geary was the Sheriffs Office Patrol supervisor on scene who
 4 had responded from our Westside patrol area to the incident. As I
 5 approached Sergeant Geary I noted that in the inner perimeter there
 6 was a set of four orange cones near a Palo Alto patrol vehicle. I
 7 could hear the engine of that Palo Alto patrol vehicle still running.
 8 I noted two Palo Alto Police motorcycle units were also in the inner
 9 perimeter. I noted what appeared to be vehicle parts strewn in the
 10 middle of the roadway on Stanford Ave. I also observed what appeared
 11 to be a silver BMW off the roadway into the bushes and creek along
 12 the north side of the road.

13
 14 I did not observe any suspect(s) or involved officers at the scene.

15
 16
 17 I contacted Sergeant Geary to ascertain the circumstances of this
 18 incident. Sergeant Geary told me the information he had received was
 19 that Stanford DPS units had been dispatched on a suspicious persons
 20 call in the area of Stanford Ave and Raimundo. Palo Alto Police units
 21 had also responded to the location to assist as fill units.

22
 23 Sergeant Geary explained that two Stanford University community
 24 service officers had observed a suspicious person along the north
 25 side of the roadway. The two CSO's were aware of a series of auto
 26 burglaries that had occurred in this general vicinity. They were also
 27 aware that a witness in one of the auto burglaries had observed a
 28 possible suspect wearing a red top and red shoes. The individual they
 29 had observed was wearing a red top and had red shoes on. The two
 30 CSO's radioed their communications as to what they had seen and had

1 requested an officer respond.

2

3 Sergeant Geary continued that what occurred next was the arrival of

4 the first unit, which was a Stanford DPS unit. The next unit to

5 arrive was a Palo Alto unit. From what had been explained to him, the

6 officers attempted to make contact with the suspicious individual.

7 That individual had gotten into a BMW and had attempted to drive

8 away. The Palo Alto Officer attempted to stop that from happening and

9 had reached into the driver's side door and attempted to turn off the

10 BMW's motor. The Palo Alto Officer was unable to stop the individual.

11 Somehow the Palo Alto Officer became entrapped in the driver's side

12 window as the BMW struck another vehicle. Sergeant Geary advised me

13 he had been told the Palo Alto Officer had suffered injuries from

14 this action. The Palo Alto Officer may have suffered a broken leg.

15

16 Sergeant Geary advised that from what he had been told both the Palo

17 Alto Officer and the Stanford DPS Officer had discharged their

18 weapons at the individual driving the BMW.

19

20 The BMW had then driven off road and into the creek bed along the

21 north side of the road.

22

23 Sergeant Geary advised me the Palo Alto Officer and the driver of the

24 BMW had been taken to Stanford Hospital prior to my arrival. The

25 Stanford DPS Officer had been taken to DPS headquarters and was

26 awaiting our response for an interview.

27

28 Sergeant Geary also advised me that under one of the orange cones near

29 the Palo Alto marked unit was a weapon believed to belong to the Palo

30 Alto Officer who had discharged the weapon at the driver of the

1 suspect vehicle.

2

3 As I viewed the crime scene from the south side of the roadway I
 4 determined the crime scene needed to be expanded an east side of
 5 Stanford Ave so a better over view could be obtained. I requested
 6 Sergeant Geary to accomplish this task.

7

8 Captain Nick Bruno of Stanford DPS was also on scene. He quickly
 9 briefed me with the same information as Sergeant Geary had. Captain
 10 Bruno confirmed that there had been a rash of auto burglaries in the
 11 area. He would have his office provide us with copies of the 459 auto
 12 reports that his department has taken. Captain Bruno in addition told
 13 me that his DPS Officer, Jeff Bell, was awaiting our arrival at
 14 Stanford DPS Headquarters.

15

16 Captain Bruno also pointed out that the two Stanford
 17 were still on scene waiting to be interviewed.
 18 A request was made to have them respond to Stanford DPS and await our
 19 arrival. They were not to talk to each other about what had occurred.
 20 They were taken to Stanford DPS.

21

22 I requested from Captain Bruno a taped copy of the radio transmissions
 23 in this incident. He told me they would obtain a copy for us as soon
 24 as possible. A subsequent report would be requested of Captain Bruno
 25 that would address his response to the scene.

26

27

28 I told Sergeant Geary that I would take control of the crime scene
 29 pending the arrival Of Investigation Command staff, my partner and
 30 Crime Scene Investigators. No one was to enter the scene without

1 permission from myself.

2

3 Sometime during this time period I was advised that the suspect taken
4 to Stanford Hospital was a Hispanic male adult with a mustache and
5 goatee.

6

7 Sergeant Geary advised me that there were two witnesses to the
8 incident currently available to be interviewed. He indicated both
9 witnesses needed to leave rather soon to attend to personal business.

10

11

12 Sergeant Geary directed me to one of the witnesses, . I
13 identified myself to and told her I wished to speak to her
14 regarding what she had observed. The interview of was begun at
15 approximately 1355 hours. The interview of was tape-recorded
16 and is synopsised as follows.

17

18 STATEMENT OF

19

20 told me she had been in the area running and had just gotten
21 into her personal vehicle to begin driving down (east) on Stanford
22 Ave. She indicated she had not observed how the incident began but
23 had observed some Stanford Officers in a van behind her looking at
24 something. She observed the officers jump out of the van and that
25 they were attempting to get someone out of a car. told me that
26 the individual in the car was resisting. She saw the officers trying
27 to hold down the individual but the subject began driving off in the
28 vehicle.

29

30 indicated the subject drove one of the officers into another

1 vehicle. It appeared to the female officer was "pretty hurt".
 2 The next thing knew was that she was hearing numerous
 3 gunshots. She observed the driver of the vehicle drive backwards
 4 going into a 360 and then driving straight into the "forest".
 5
 6 advised at the time this was occurring she was in her vehicle
 7 starting it and preparing to drive off. pointed westward along
 8 the south side of Stanford Ave to the location of her vehicle. She
 9 indicated that upon hearing the gunshots she exited her vehicle and
 10 proceeded to a friend's vehicle that was parked 2 car lengths west of
 11 her position. She got into her friends car and called her husband.
 12
 13 I asked how many gunshots she heard. indicated she
 14 guessed that she heard three or four gunshots.
 15
 16 I asked if she observed anyone shooting. She responded by
 17 saying she did not observe who was shooting. She indicated the
 18 incident occurred very quickly.
 19
 20 I asked her once more to describe the incident involving the police
 21 vehicles. advised that as she was walking down towards her
 22 vehicle when she observed a van with what she thought were two
 23 Stanford officers. It seemed a little weird to her. As they
 24 approached slowly she heard some kind of struggle and the officers
 25 jumped out of the van and rushed forward. There was another officer
 26 present and they all went to the driver's side window where they were
 27 reaching in but the driver of the vehicle was really struggling. The
 28 officers were trying to get the driver to stop but the driver just
 29 would not give up. The driver backed up the car and then began
 30 driving forward. Two of the Stanford officers were able to move away

1 but one of the other officers was "smashed" into another vehicle.
 2 was unsure which vehicle the officer was "smashed" into. It
 3 was then she heard a "bunch" of gunshots and that's when she ducked
 4 down in her personal vehicle. When she looked back up she observed
 5 the vehicle back up and do a 360. The vehicle drove off "really fast"
 6 and then she heard a crash in the forest. Just after this is when she
 7 proceeded to her friend's vehicle that was located two car lengths
 8 behind her.

9
 10 I asked if the officers involved were saying anything to the
 11 driver of the vehicle. told me the officers were yelling at
 12 the driver. She indicated the situation was very intense at that
 13 moment. She was not exactly sure what the officers were yelling but
 14 indicated there was a tremendous with the driver of that vehicle. The
 15 driver in the vehicle was just not giving up. once more
 16 indicated she did not observe how the entire incident began.

17
 18 I asked whether the two Stanford officers in the van had a red
 19 light on. told me that there were no sirens or anything. It
 20 appeared to her that the two officers were sneaking up on something
 21 and she was not sure what it was they were sneaking up on. She
 22 thought it was odd. She was aware that there were additional officers
 23 but did not know what was occurring. What she remembers is that when
 24 the officers went to the vehicle, the driver of that vehicle was
 25 fighting and making it difficult.

26
 27 I asked once more if she could recall anything the officers
 28 were saying to the driver. indicated she should be good at
 29 recalling what was said since she was a therapist but admitted she
 30 became nervous when she heard the gunshots and does not remember what

1 was said.

2

3 indicated they (the officers) were very "chaotic and scared".

4 She said the driver in the car was "crazy, the guy in the car was
 5 like completely crazed". indicated that the officers were

6 doing the best they could to figure out what they could do. The
 7 incident was pretty chaotic so she could not remember what the
 8 officers were saying to the driver.

9

10 I asked how close she was too the incident. offered to
 11 show me where she was parked in relationship to the incident. She
 12 also told me officers had moved her vehicle. I escorted her along the
 13 outside perimeter where she showed me where she had been parked.

14

15 I estimated the distance from where had been parked to the area
 16 of the incident to be approximately seventy-five feet.

17

18 I asked that when the vehicle and it's driver started to drive
 19 off did she know which vehicle had been struck with the officer's
 20 body. She could not answer that question because he mind was "blank".

21 indicated she observed an officer hanging out the driver's
 22 side window of the vehicle when it was driven into another vehicle.
 23 The officer was smashed against a vehicle but she could not tell me
 24 which vehicle this was.

25

26 Interview concluded.

27

28 At approximately 1410 hours I contacted a second witness Sergeant
 29 Geary had pointed out to me. The interview of that second witness was
 30 tape-recorded and is synopsised as follows.

2 **STATEMENT OF**

3

4 I asked to tell me what he observed in this incident. told

5 me he did not observe anything. He had been at his residence working

6 when he heard possibly two or three gunshots. He realized that what

7 he heard did not sound like a vehicle backfiring so he exited his

8 residence to see if he could find out what had occurred. He went out

9 to his front yard to see if could see anything, but he did not.

10 thought the sounds had come from the corner (Stanford Ave and

11 Raimundo). He still did not see anything and assumed it was a vehicle

12 backfiring, so he went back into his residence. A short time later he

13 began hearing sirens.

14

15 was enroute to pick up his children when he observed the police

16 tape and that is when he decided to come over and tell someone what

17 he had heard. advised that was all he knew about the incident.

18 He was indoors at his residence at the time of the incident.

19 could not tell me at what time the incident occurred.

20

21 Interview concluded.

22

23 **INVESTIGATION CONT.**

24

25 At the conclusion of my interview with I noticed Captain

26 Stambaugh from Sheriffs Office Investigations had arrived on scene.

27 Captain Stambaugh told me my partner, Sergeant Baker was enroute,

28 along with Crime Scene Investigators Detective Stephens and Sergeant

29 Evans. Also enroute to the scene was the Westside Accident

30 Investigation Team that would diagram the crime scene.

2 It was sometime at this point I was advised the suspect was deceased
3 at Stanford Hospital
4
5 Sergeant Baker arrived shortly thereafter and as we waited for the
6 arrival of the Crime Scene Investigators I requested Captain
7 Stambaugh respond additional Crime Scene Investigators as evidence
8 needed to be not only documented and seized at Stanford Hospital, but
9 also at Stanford DPS headquarters and Palo Alto PD. Sergeant Imas and
10 Detective Dona were assigned those responsibilities (See their
11 reports for details).
12
13 It was at about this time I learned the identity of the Palo Alto
14 Officer involved in this incident, Jessica Perryman.
15
16 At approximately 1620 hours the following individuals entered the
17 crime scene, Captain Stambaugh, Sergeant Baker, DA Investigator
18 Hatcher, Sergeant Evans, Detective Stephens and myself. The entry to
19 the crime scene was begun at the western portion of the outer
20 perimeter. In the lead were Sergeant Evans and Detective Stephens who
21 were documenting via videotape, 35 mm photography and digital
22 photography our entrance.
23
24 The following is a brief synopsis of what I observed during the entry
25 into the scene (For a more detailed description refer to CSI
26 Investigators reports).
27
28 Upon entry the outer perimeter I observed along the north side of
29 Stanford Ave a vehicle with it's front passengers window smashed out.
30 I could observe broken glass on the ground.

2 We continued toward the inner perimeter where I observed a silver BMW

3 540i in the creek bed along the north side of the roadway. The BMW

4 had paper plates on it from a dealership in San Mateo County. I noted

5 the phone number on the plates and requested County Radio to call the

6 dealership to ascertain if they had a BMW missing or stolen.

7 Detective Stephens was able to get close enough to the vehicle to

8 obtain the VIN number. The VIN number was I

9 requested County Radio run the VIN number to ascertain the registered

10 owner and the status on the vehicle. County Radio eventually advised

11 me the vehicle was stolen and was listed as armed and dangerous. Also

12 associated was a request to hold the vehicle for prints. The

13 associated agency was the San Mateo County Sheriffs Office, case

14 number 02060001. The Detective assigned was a Detective Chong. I

15 contacted San Mateo County Communications and advised them I needed

16 to obtain some background information regarding the stolen BMW. I

17 advised Communications I needed to speak with Detective Chong. I was

18 told they would contact Detective Chong and have her call me.

19

20 I observed some blood evidence on ground just off the pavement of the

21 roadway directly to the rear of the BMW. The assumption is made that

22 this blood evidence occurred when paramedics were attending to the

23 suspect. Investigation needs to be conducted regarding this issue.

24

25 As previously noted, on the Stanford Ave roadway I observed several

26 vehicle parts as if a collision had occurred. Also observed were 4

27 orange cones in the area of a marked Palo Alto Police unit. A brief

28 look under those cones found casings and a 9mm Luger.

29

30 Also observed on the roadway were centrifugal acceleration skid marks.

1 The two vehicles previously noted were in awkward positions on the
 2 roadway. One vehicle appeared as if it might have been struck by
 3 another vehicle.

4
 5 For more detailed information, refer to Crime Scene Investigators
 6 reports.

7
 8 It was during this time I was handed a cassette tape recording by
 9 Captain Stambaugh along with CAD information. Captain Bruno had given
 10 these items to Captain Stambaugh at approximately 1635 hours. The
 11 cassette tape recording will be listed as tape 9 in our investigative
 12 tape log. The CAD printouts will be attachments.

13
 14 After viewing the scene Sergeant Baker and I began our response to
 15 Stanford DPS to interview the two Community Services Officers and the
 16 Stanford DPS Officer involved in the incident.

17
 18 While enroute to Stanford DPS contact was made with Detective Chong of
 19 the San Mateo County Sheriffs Office. Detective Chong provided me
 20 with a brief background regarding the BMW and other crimes that were
 21 associated. The statement of Detective Chong was not recorded.

22
 23 **STATEMENT OF DETECTIVE CHONG, SAN MATEO COUNTY SHERIFFS OFFICE**

24
 25 Detective Chong advised me that she was providing information of the
 26 stolen BMW from memory as her case files were at the office. She told
 27 me the stolen BMW 540i was associated with a carjacking/kidnapping
 28 that had occurred in Redwood City in early January. She believed the
 29 date of occurrence of that incident to be January 5, 2002.

 24 to steal the BMW had to be extraordinary because the
 25 residence is very difficult to find. The Sheriffs deputy that had

2 I explained to the family the circumstances of the case and

3 our investigation. It was obvious from the very beginning that the

4 family was very upset and did not want to listen to what I was

5 telling them. continually questioned me why her son

6 was shot. She would ask why didn't the officer that shot her son

7 shoot him in an arm or a leg, not through the chest. No matter how

8 much I explained the circumstances, the family would not

10 shooting their son. I attempted to explain that was

11 wearing similar clothing to an auto burglary suspect that had been

12 described in police reports. They responded by saying that many

13 Hispanics wear similar clothing. I attempted to explain that the

14 clothing description would have allowed officers to contact an

16

17 I explained to the family that we were interested in

3 INVESTIGATION CONT

4

5 On March 26, 2002 at 0930 hours I reviewed the communications tape of
 6 this incident that had been provided by Stanford DPS. The following
 7 is a synopsis of the beginning of that communications tape.

8

9 Initial notification of this incident begins with Stanford unit
 10 advising dispatch of a 10-66 (suspicious person) casing cars in the
 11 area of Stanford Ave and Junipero Serra. advises that the suspect
 12 has red shoes that match a suspect in a prior auto burglary. then
 13 advises he has lost sight of the subject. The subject had been
 14 heading towards Junipero Serra. describes the subject as a
 15 Hispanic male wearing black trousers, a red long sleeve shirt and red
 16 shoes.

17

18 Stanford unit advises he is responding.

19

20 advises dispatch the subject has facial hair and may have ducked
 21 into the bushes. advises dispatch he is adjacent to the fire lane
 22 on Stanford Ave near the intersection with Junipero Serra.

23

24 advises dispatch the subject has reappeared and is walking
 25 alongside a row of cars.

26

27 Stanford unit advises he is 10-97 (arrived on scene).

28

29 advises that the subject is adjacent to the first two SUV's on
 30 the right as he passes the light.

6 On 03-20-02 at approx. 1410 hr. I was told to respond to Stanford

7 Hospital to collect evidence from the suspect and Palo Alto PD

8 Officer who had been transported to the emergency room for treatment

9 of injuries sustained in this event. Arriving at the hospital at

10 1450 hr. I located Officer J. Perryman of the Palo Alto PD in the

11 emergency room. She was being treated for injuries to her legs and

12 abdominal area. At this time I also made contact with Officer W.

13 Baldwin of the Palo Alto PD who advised me the suspect in this

14 incident had died of injures sustained in the confrontation with the

15 involved officers.

16

17 Seeing that Officer Perryman was wearing a hospital gown and some dark

18 blue jogging pants I asked Officer Baldwin where her clothing, gun

19 belt and gun were. He responded that her gun belt and gun were left

20 at the incident scene along with some of her clothing, which was

21 removed by the responding paramedics. The only clothing he obtained

22 prior to my arrival from Officer Perryman was a dark blue turtle neck

23 shirt and her uniform pants. Officer Baldwin gave both items, which

24 were in brown paper bags, to me at this time. He further stated that

25 he had custody of the items from the time he received them to when he

26 turned them over to me. The two bags were taken to my vehicle and

27 secured there pending further processing at the Sheriff's Office

28 Evidence room.

No other evidence or photographs were received or taken at 9 this time.</p> <p>10</p> <p>11 Asking the hospital staff the location of the suspect in this incident 12 I was taken to room 19 where I met with Stanford Deputy Dody Braken. 13 Deputy Braken stated she had been assigned to ride in the ambulance 14 with the suspect to Stanford Hospital. On their arrival to the 15 hospital she maintained custody of the suspect while the hospital 16 staffed treated his injures. Deputy Braken stated 17 pronounced the suspects death at 1348 hr. by. The suspect was then 18 placed in a body bag and moved to room 19 where she had maintained 19 her position and custody of the body. When asked if the suspect had 20 been identified Deputy Bracken said no, she didn't have a name for 21 the suspect. I asked if any of his clothing or personal property had 22 been transported with him from the scene to the hospital. Deputy 23 Bracken said his clothing had been cut off at the scene by paramedics 24 and left there.</p> <p>25</p> <p>26 I placed a call to the coroners office and advised them of the event 27 and that we would be waiting for a Coroners Office Investigator to 28 arrive at our location to take custody of the body. 1 **SUPPLIMENTAL REPORT**

2

3 On 03-20-02, at 1337, I was told by Sgt. Imas (Evidence Tech) to
 4 respond to Stanford Avenue (off of Junipero Serra Blvd.) in Stanford
 5 University. I was told that there had been an officer involved
 6 shooting, and that a possible auto burglary suspect had been shot.

7

8 I arrived at the scene at 1440 hours. Santa Clara County Sheriff's
 9 Deputy J. McCoy #1579 was keeping a log of the persons already at the
 10 scene, and a log of those persons who arrived after I did. See his
 11 supplemental report for a list of those persons.

12

13

14 **CRIME SCENE**

15

16 The crime scene was located on Stanford Avenue west of Raimundo Way.
 17 Stanford Avenue is a smooth, paved, asphalt roadway that runs
 18 northeast to southwest with one lane in either direction. For the
 19 purposes of this report Stanford will be referred to as running east
 20 to west. Raimundo Way runs northwest to southeast and intersects
 21 Stanford Avenue. There is a dirt shoulder on both sides of Stanford
 22 Avenue west of Raimundo Way.

23

24 Approximately 40 feet north of the north side of Stanford Avenue there
 25 is a small creek/ditch that runs parallel to Stanford Avenue. There
 26 are dense formations of trees/bushes that line both sides of the
 27 creek. There is a pedestrian footpath that runs parallel to the
 28 south side of Stanford Avenue.

29

30 Upon my arrival I saw that there were numerous vehicles parked on the

1 dirt shoulders of both sides of Stanford Avenue between Junipero
 2 Serra Blvd. and Raimundo Way. Crime scene tape was present across
 3 Stanford Avenue at various locations west of Raimundo Way up to the
 4 speed bump. Crime scene tape was present across the west side of
 5 Stanford Avenue at the intersection of Raimundo Way. Crime scene tape
 6 was present along the south side of Stanford Avenue from Raimundo Way
 7 west to the speed bump.

8
 9 There were eighteen vehicles parked on the north side of westbound
 10 Stanford Avenue. There were two vehicles in the roadway of Stanford
 11 Avenue. There were seven vehicles parked on the south side of
 12 eastbound Stanford Avenue. All of these vehicles were parked within
 13 the taped off crime scene area west of Raimundo Way. The
 14 above-mentioned vehicles are listed below:

A search of the creek area north of Stanford Avenue revealed the following item:

Item #24: A black nylon duffle bag with miscellaneous items was found in the creek north of the road, north of vehicle #18.

The above listed items (except for the vehicles) were booked into evidence. Item #12, the BMW, was transported to the Sheriff's Office for impound and processing.

Vehicle #2 (Palo Alto patrol vehicle evidence item #5) had fresh damage to the left rear fender, bumper, and taillight.

Vehicle #6 (maroon Toyota Camry evidence item #6) had fresh damage to the front left fender, bumper, and turn signal.

Vehicle #9 (Stanford patrol vehicle evidence item 20) had fresh damage to the right rear fender and rear bumper.

Vehicle #10 (silver BMW evidence item #12) had major damage to the front from impacting with the creek embankment. There was denting on the right side with red paint transfer. There was scratching on the left side with white paint transfer. There was one gouge mark on the rear body between the trunk and rear window. The gouge was similar to one having been made by a bullet. Dusting on the rear window from the gouge mark indicated that the bullet was traveling from back to front. There was black leather dye transfer on the driver's door just

1 below the window. There was a scratch in the top portion of the
2 driver's door window.

3
4 Vehicle #12 (silver Volvo wagon evidence item #21) had several pry
5 marks on the front right door/window pillar, just to the rear of the
6 door's window. The pry marks were similar to those having been made
7 with a flathead screwdriver. See Sgt. Evans supplemental report for
8 attempted 459 P.C. on this vehicle. Photos were taken and submitted
9 for processing. No fingerprints were found on this vehicle.

10
11 Vehicle #20 (silver Honda Civic evidence item #19) had a broken front
12 right door window. The window was shattered with glass lying on the
13 ground on the outside of the door, and on the inside of the car.
14 There was a pry mark on the rear rubber molding of the front right
15 door next to the window. The pry mark was similar to that of a
16 flat-head screwdriver. Sgt. Evans recovered one latent print from the
17 front right passenger door below the window area. The print was
18 submitted for processing. See Sgt. Evan's supplemental report for 459
19 P.C. on this vehicle. Photos were taken and submitted for
20 processing.

21
22 One latent print was recovered from vehicle from vehicle #21, the
23 vehicle directly in front of vehicle #20 (the vehicle listed above
24 that had been burglarized). The print was submitted for
25 processing.

26
27 **DIAGRAM of CRIME SCENE**

28
29 Deputy Morganthaler completed a factual diagram of the entire crime
30 scene area. His diagram includes the measurements of the street, the

7 RECOVERED 10851 VEHICLE

8

9 A records check of vehicle #10 (silver BMW evidence item #12)

10 indicated that it had been reported stolen. The BMW's

11 vin number had been entered into SLETS on

12 03-01-02 by San Mateo Sheriff's Office as having been stolen in a

13 664/187 P.C. and 215 P.C. case (San Mateo case #02060001). The BMW

14 was impounded and transported to the Santa Clara County Sheriff's

15 impound yard by National Tow on 03-21-02, at 0030 hours. The vehicle

16 was entered into SLETS as a recovered stolen vehicle by records clerk

17 on 03-29-02, at 1520 hours.

18

19 PROCESSING OF EVIDENCE ITEM #12-BMW

20

21 On 03-25-02, at 1030 hours, Sgt. L. Imas and I (Det. J. Stephens)

22 arrived at the Santa Clara County Sheriff's impound yard. We were

23 there to process evidence item #12, the recovered stolen BMW.

24

25 A visual inspection of the BMW revealed the following:

26

27 The entire front end had major damage (bumper, grill, hood, lights,

28 front right fender, interior engine parts, suspension, and axle).

29 The front right passenger door had a major dent in it. There was a

30 gouge on the body panel located between the rear trunk and the rear

1 window on the left passenger side. It appeared that the gouge had
 2 been made by a bullet traveling from the rear of the vehicle forward
 3 towards the front of the vehicle. There was a slight scrape and
 4 dusting of paint on the rear window next to the gouge, indicating
 5 that the bullet ricochet off of the window. There was a shallow dent
 6 with white paint transfer on the left rear fender. There was what
 7 appeared to be a black paint transfer (possibly from a black duty
 8 belt) on the drivers door directly below the driver's door window.
 9 There was a single long scratch in the top area of the driver's door
 10 window. There was a scrape on the front left fender that ran back
 11 into the front portion of the driver's door.

12

13 The front bumper and the dent on the front right passenger door had
 14 red paint transfer on it.

15

16 The entire vehicle had minor scrapes/scratches on it from having
 17 passed through the trees located off of the north side of Stanford
 18 Avenue.

19

20 **PHOTOS**

21

22 At 1100 hours 35mm and digital photos were taken of the exterior and
 23 interior of the vehicle. Photos were also taken of the recovered
 24 items of evidence. The photos were submitted for processing.

25

26 **FINGERPRINTS**

27

28 At 1110 hours the vehicle was dusted for fingerprints. Five print
 29 cards with prints were submitted for processing.

2

3 At 1115 hours entry was made into the vehicle.

4

5 The following items were recovered from the vehicle:

6

7 Item #51: A red/black pair of Niki shoes (model TN Air, size 13)
8 located on the front right passenger seat;

9

10 Item #52: One pair of white Nautica socks (cut open) located
11 next to evidence item #51;

12

13 Item #53: One red watch cap located on floor of front right seat;

14

15 Item #54: One Xcelite 9" flat blade screwdriver (model R5166)
16 located on the floor in front of the front right seat;

17

18 Item #55: One black Targus case with a HP Omnibook computer and an
19 I.D tag of located next to item #54;

20

21 Item #56: One small wood toy boat located in trunk;

22

23 Item #57: One Pioneer removable face plate (model DEH-P3300)
24 located in trunk.

25

26 The above listed items were tagged and placed into evidence.

27

28 On 03-29-02, at 1230 hours, I returned to the Sheriff's impound yard
29 at the request of Sgt. Baker. I was asked to retrieve some black
30 gloves that had been located in the front right passenger floor area

1 INVESTIGATION

2

3 On Wednesday, 03-20-2002, about 1448 hours, I received a phone call
 4 from S/O Capt. Stambaugh #1164, to respond to the area of Stanford
 5 Ave near Junipero Serra in Palo Alto to assist in an officer-involved
 6 shooting. I arrived about 1527 hours, and made contact with the lead
 7 investigator, S/O Sgt. Baker #1166 and received further
 8 instructions.

9 After I received my assignment, I responded to the Stanford University
 10 Department of Public Safety 711 Serra Street, Stanford, California.

11

12 I initially made contact with Stanford DPS Lt. Karp #K1862, who
 13 escorted me inside the station, and introduced me to Deputy Allen
 14 James #120, and to Deputy Jeff Bell #102. I stayed with the two
 15 deputies and explained my assignment. I then used a gunshot residue
 16 kit on Deputy Bell #102, then sealed the results in an envelope.

17

18 About 1700 hours, Deputy Bell #102 had his blood drawn by blood tech
 19 while in an upstairs conference room.

20 gave me the envelope containing the blood specimens after
 21 it was signed and sealed.

22 A few minutes later, I took possession of Deputy Bell's equipment and
 23 uniform from DPS Court Liason Officer Alex Bocharov #2107/B2844 while
 24 downstairs in the evidence/property room. A key was used by Bocharov
 25 to remove the property from a locker.

26 I placed all items given to me in my car.

27

28 I next responded to the City of Palo Alto Police Department 275 Forest
 29 Ave., Palo Alto, California 94301. I was escorted upstairs to meet
 30 with Officer Jessica Perryman. I had been instructed to obtain a

--	---

1 gunshot residue specimen from Officer Perryman and a blood
 2 specimen.

3
 4 After I obtained the gunshot residue, blood tech arrived and
 5 obtained the blood specimen about 2020 hours. I then went back to
 6 the scene of the shooting, asking the crime scene unit detectives if
 7 they needed any further assistance. When I was told that no further
 8 assistance was needed, I went to the Sheriff's Office and placed all
 9 the property collected in the Evidence Processing Room.

10
 11 On Friday, 03-22-2002, about 1245 hours, Sgt. Imas #1437 assisted me
 12 in packaging all items collected from the Stanford Department of
 13 Public Safety and from the Palo Alto Police Department.

14 Refer to the evidence page/report for a description of the items
 15 submitted.

16 NOTE: Stanford DPS evidence item #1, submitted in an envelope, and
 17 decribed as one roll of 400 spd undeveloped film, was not placed in
 18 the Sheriff's Office property room, but sent to the County Crime Lab
 19 for processing.

20 The attached photo log was placed in Sheriff' Office Records
 21 Section.

22 Also, Deputy Bell's service weapon was rendered safe.

1 On 03-20-02 at approximately 1330 hrs Sgt.Tait advised me to respond
2 to Stanford Ave and Raimundo Way at Stanford University to an officer
3 involved shooting. Deputies Neusel, G. Taylor, Morgenthaler and
4 myself responded to the scene and arrived at 1450 hrs. After the S/O
5 evidence techs photographed the scene and marked the evidence, we
6 then took measurements of the scene for the scene diagram. We left
7 the scene at approximately 2215 hrs.

1 **Investigation:**

2

3 On 03/20/02 at approximately 1415 hours I was directed by Sergeant W.
 4 Tait to respond to Stanford Drive at Raimundo Way, Stanford
 5 University, to assist Deputy K. Morganthaler at the scene with scene
 6 measurements. I arrived at the scene at approximately 1445 hours. I
 7 assisted Deputy K. Morganthaler, Deputy G. Taylor, and Deputy C.
 8 Sontra with scene measurements using the Nikon Total Station
 9 surveying tool. My primary function was to hold the reflector pole
 10 and relay item numbers to Deputy Morganthaler. Our scene
 11 measurements included items of evidence, vehicle debris, parked
 12 vehicles and roadway dimensions. I assisted in this capacity until
 13 approximately 2230 hours when we completed the measurements.

2

3 On 3-20-02 at approximately 2315 hours, I responded to
 4 Stanford@Juniper Serra in Stanford to assist Deputy Novak #1713 with
 5 a vehicle which was being towed for evidence. National Tow responded
 6 to the area and pulled the vehicle out of an embankment. The vehicle
 7 was pulled out at 0035 hours and placed on a flatbed tow truck.

8

9 I escorted the tow truck to the Sheriff's evidence yard. I had
 10 National Tow place the vehicle inside the evidence yard. I secured
 11 the vehicle inside the storage building with out incident.

12

13 No one entered the vehicle when it was initially placed on the tow
 14 truck or while it was being placed inside the evidence yard.

1 INVESTIGATION

2

3 On Wednesday March 18th, 2002, Deputy Aulman and I responded to
4 Stanford University per Sgt. Geary regarding an officer involved
5 shooting.

6

7 Upon our arrival, we contacted Sgt. Geary on the Stanford University
8 campus at the intersection of Stanford and Raimundo.

9

10 Sgt. Geary advised me to obtain a statement from (W01)

11

12 I made contact with (W01) who was standing on the
13 grass located on the south side of Stanford Avenue approximately
14 (110) feet from the intersection at Raimundo. provided the
15 following statement regarding the incident.

16

17 STATEMENT OF (Summary)

18

19 told me he was in the front passenger seat of his friends
20 car. California license plate They were leaving the campus
21 and were driving West on Stanford Avenue approximately (120) feet
22 West of Raimundo.

23

24 said he saw a light colored (4) door sedan approximately (40)
25 feet in front of him, pulled over onto the shoulder of Stanford
26 Avenue facing West. He saw a female Police Officer at the front
27 passenger side window of the car. He said the officer's upper body
28 was halfway inside the window of the car.

29

30 said the car made a U-turn from the shoulder of the road

1 heading East on Stanford and collided head on with his car. The
2 female officer was still halfway inside the other car's passenger
3 side window.

4

5 said the other car bounced back approximately (10) feet after
6 the collision. said he heard the officer telling the driver
7 to turn off his engine. He saw another male officer running East on
8 Stanford towards the car.

9

10 The driver of the car started the engine and tried to make another
11 U-turn but struck his friends car a second time on the right front
12 side of the car. The suspect's car stopped on the shoulder of the
13 road on Stanford facing North.

14

15 and his friend exited their car and waited on the grass
16 located at the South side of Stanford Avenue.

17

18 said the male officer pulled out his pepper spray and reached
19 the suspects' car. He was unsure as to the male officer's exact
20 point of contact with the car. He heard the male officer tell the
21 suspect to turn off the engine.

22

23 He heard (2) maybe (3) gunshots. He said he did not know who fired
24 the shots and did not see the officer's draw their weapons.

25

26 He said he saw the female officer free herself from the passenger side
27 window and fall to the street. The suspect's car continued North
28 through the trees where said he lost sight of the car.

29

30 He gave the following description of the suspect; a WMA or HMA
