1	barrier tape. We checked in with the crime scene entry log officer
2	and were briefed on the known details. I saw a deceased male subject
3	lying face up on the front porch, feet towards the front doorway and
4	hands handcuffed behind his back. The SVDPS armored SWAT rescue
5	vehicle was parked on the front lawn in close proximity to the male
6	decedent.
7	
8	At approximately 1236 hours, CSI Mah and I began scanning the scene,
9	both exterior and interior, using the Sheriff's Office LEICA
10	ScanStation C10 3D laser scanner. In the first and second scan, we
11	introduced the twin target pole, serial number 157, as a known
