Q: I'm Sergeant Brown. I work with the sheriff's office. I'm an investigator, okay?

A: 'Kay.

Q: What's your name?

A:

Q: What's your birthday, man?

A:

Q: You know what cell you're in?

A: I'm in 45.

Q: You know why we're here?

A: Um, this incident that happened yesterday, I guess.

Q: Did you see me here last night, or this morning, I guess?

A: Nah.

Q: Okay.

A: I didn't pay too much attention to what's going on.

Q: (Unintelligible) tell me about what happened.

43 A: Can't really say. Uh, there was nothing, uh, that I seen (unintelligible)...
44
45 Q: (Unintelligible)...
46
47 A: ... things like that happen, you know? People have, uh - they have their, uh,
48 illnesses.
49
50 Q: Did you know that guy?
51
52 A: Never knew him.
53
54 Q: Did you ever speak to him?
55
56 A: Never spoke to him.
57
58 Q: How long you been in B?
59
60 A: Around two weeks.
61
62 Q: Two weeks?
63
64 A: Yeah.
65
66 Q: Um...
67
68 A: (Unintelligible)...
69
70 Q: ...see him around?
71
72 A: Yeah, he just walks around. He's kind of a mental...
73
74 Q: (Unintelligible)?
75
76 A: Yeah, (unintelligible).
77
78 Q: Um, was he friendly with people?
79
80 A: Never really paid attention. He was...
81
82 Q: No problems or anything?
83
84 A: No.

85
86 Q: Just kind of - kind of disappeared off to the side, yeah?
87
88 A: Yeah, (unintelligible) just wasn't, uh - yeah, he was out there.
89
90 Q: That's what I heard.
91
92 A: (Unintelligible) he was out there, man.
93
94 Q: Uh, do you take pill call?
95
96 A: No.
97
98 Q: Um, you're in kind of a weird spot right - right here, uh, so some of the
99 questions, uh, I may ask, uh, are only because you have this good line of sight
100 to this area right here, okay?
101
102 A: Yeah.
103
104 Q: He di- did take pill call. Last night's pill call, did you notice anything - any
105 problems with him in last night's pill call?
106
107 A: Uh...
108
109 Q: Was he yellin' at the nurse or yellin' at (Lugren)?
110
111 A: Somethin' happened, but I didn't pay attention. I don't know exactly what
112 happened. And, you know, in pill call, there's always somethin' going on.
113
114 Q: Well, yeah.
115
116 A: Every day, somethin' goin' on here, uh...
117
118 Q: Yeah. Well, especially with a lot of people that are in here, right?
119
120 A: Yeah, I can't - I don't - I can't, uh, pinpoint exactly what - you know, like I
121 said, I - I - I didn't see nothin'. Uh, what happened is, is unfortunate, but I
122 don't know what the hell happened. Uh...
123
124 Q: Well, you're two doors away.
125

126 A: Yeah, but, uh - uh, it's just so much things are goin' on that you can't see out
127 your window.

128
129 Q: How about some small ones then? Um, you guys after laundry, uh, you guys
130 got like a miniature shakedown, yeah?

131
132 A: We had a little shakedown, yeah.

133
134 Q: (Unintelligible) extra clothes?

135
136 A: Yeah, it's common.

137
138 Q: Did you have any extra clothes?

139
140 A: I had none.

141
142 Q: Okay. So, did they come in to your cell (unintelligible)...

143
144 A: They came in, checked, and everything was good and walked out.

145
146 Q: And they walked out real quick?

147
148 A: Uh-huh, yeah.

149
150 Q: When they left, did they shut your light off or did they leave it on?

151
152 A: Uh, my light was on.

153
154 Q: On?

155
156 A: Yeah.

157
158 Q: Um...

159
160 A: My light was on.

161
162 Q: This cat up here in 48,

163
164 A: Yeah.

165
166 Q: ...um, he's pretty boisterous?

167

168 A: He's kinda - yeah.
169
170 Q: Yeah?
171
172 A: Yeah.
173
174 Q: So, there was...
175
176 A: (Unintelligible).
177
178 Q: ...kind of a verbal with him right before kind of - not long before they came
179 into your cell, right?
180
181 A: I don't know.
182
183 Q: Did you hear any verbals or any altercations after they left your cell?
184
185 A: No. Every time there's clothing exchange, there's always somethin' going on.
186 (Unintelligible) you're inside there and you hear a bunch of (unintelligible)...
187
188 Q: So you kinda keep to yourself?
189
190 A: I'm reading.
191
192 Q: Reading?
193
194 A: Uh, and I - I don't pay attention to what's goin' on out there because what's
195 goin' on out there has nothin' to do with me (unintelligible)...
196
197 Q: During programmin', do you come out or you mainly stay inside?
198
199 A: I come out. I come out.
200
201 Q: Um...
202
203 A: (Unintelligible) workout, play card.
204
205 Q: After, uh - uh, this - this extra check, um, did you notice the - the smell?
206
207 A: A smell of what?
208

209 Q: The - like, the ba- that bad foul, like, feces smell?
210
211 A: Oh, yeah.
212
213 Q: At what point do you think it was that you noticed that smell?
214
215 A: (Unintelligible) food.
216
217 Q: Food?
218
219 A: (Unintelligible)...
220
221 Q: Whatever - whatever it was (unintelligible)...
222
223 A: Yeah, it was the food.
224
225 Q: Uh, at what - like, so was it the same smell, like, from when they serve chow?
226
227 A: Uh - uh, that stuff's garbage anyway, yeah? (Unintelligible)...
228
229 Q: I mean, it's not good, right?
230
231 A: (Unintelligible). It's just food.
232
233 Q: So, but nothin', like, that was new; nothin', like, you went, "Oh, shit, you
234 know, uh, that's pretty nasty?"
235
236 A: Uh, no.
237
238 Q: Okay.
239
240 A: No.
241
242 Q: All right, man. I mean, like I said, I mean, I'm not, uh - you know, I'm not -
243 you know, people can tell me what they want to tell me, and, you know, if not,
244 then it's cool.
245
246 A: Yeah.
247
248 Q: Um, so unless you got anything more you want to talk to me about, I'mma let
249 you go back and do what you do.
250

251 A: I don't. I don't.

252

253 Q: (Unintelligible)?

254

255 A: Yeah.

256

257 Q: All right. Thank you. Hold on, I'll let them know you're done.
