1 September. W-02 told me she first saw V-01 Roches on the
2 twenty second. She was on the second tier when she walked around the
3 unit she believed she saw him that day. W-01 believed on
4 09/22/2015 was the first day V-01 Roches was admitted into the unit.
5 W-02 told me V-0 Roches was her patient last weekend (09/26
6 and 09/27). I asked W-02 about V-01 Roches demeanors, was he
7 talkative. W-02 told me he did not talk to her at all. V-01
8 Roches appeared confused and bazaar to W-02 V-01 Roches did
9 not follow orders nor did he cooperate. V-01 Roches just walked
10 around but he was not responsive.
11
12 I asked W-02 if V-01 Roches ever complained about the large
13 bruise on his abdomen. W-O2 told me she asked V-O1 Roches if
14 his bruise hurt but he did not respond. W-02 told me he never
15 complained about his abdomen and she never saw him holding his
16 stomach.
17
18 W-02 told me V-01 Roches was prescribed medication, but he
19 would always refuse to take the medication. If a patient repeatedly
20 declined their medication, it is documented and a report is given to
21 the doctor to make a determination on what the next course of action
22 would be. A patient will also be scheduled for a Reise Hearing to get
23 a court order to administer forced medication.
24
25 W-02 told me she did not have any contact with V-01 Roches
26 during the incident. W-02 asked how she could help and she
27 was instructed to make copies of V-01 Roches medical records so they
28 would be ready when he was transported to Valley Medical Center.

	W-06 told me she started her shift that morning (09/28/2015)
	but she had not seen him for three days because she was working in
	the 8B and 8C dorms, but she stayed in the office in 8A to complete
	her charting.

	W-06 told me that one of the officers knocked on the window to
	the nursing station to see if she could go with them to check on V-01
-	Roches because he was unresponsive. When the officers unlocked the
	door she (W-06) noticed a pinkish tan foam around V-01 Roches'
	mouth. W-06 ran back and go the "Crash cart" while the two
	officers pulled V-01 Roches out of the cell. The officers checked for
-	a pulse and noticed he was not breathing so they started CPR. An
14	officer from 8C came over with the AED machine. W-06 connected
15	the ambu bag and O2. The AED machine was connected and advised no
16	shock was needed. W-06 was relieved of bagging so she tried to
17	help wherever she could. W-06 told me she did not notice any
18	change in V-01 Roches' condition throughout the event. W-06
19	did not have anything additional to add.
20	
21	Then interview was concluded at 1525 hours.

1	and Doctor arrived on scene. There was a second
2	briefing provided to the MEC personnel by W26- Manager of
3	Mental Health. Investigator and Doctor viewed the
4	scene and V1-Roches body.
5	
6	At approximately 1515 hours, I received the reports from Lieutenant
7	Corso regarding V1-Roches cell extraction on 09/21/15. Later, I
8	booked these items into the Sheriff's Office Evidence Room.
9	
10	At approximately 1629 hours, the body removal team arrived on scene.
11	At approximately 1700 hours, V1-Roches' body was removed from the
12	scene and were escorted out of the Main Jail Facility by the MEC
13	personnel.
14	
15	At approximately 1710 hours, Sergeant Tarazi and I, briefed Jail
16	Detective Varghese and Sergeant Perez of the in-custody death
17	investigation. Detective Varghese and Sergeant Perez assisted with
18	interviewing 8A inmates. For inmate interviews, please refer to
19	their supplemental reports. Sergeant Tarazi documented the
20	interviews we conducted in a supplemental report. Our last interview
21	ended at approximately 1935 hours.
22	
23	We left the Main Jail Facility at approximately 2000 hours.
24	
25	EVIDENCE:
26	
27	I booked the video discs given to me by Lieutenant Corso of the 4B1
28	cell extraction incident which occurred on 09/21/2015 and the video
29	disc of the CPR being performed on V1-Roches for the medical event on
30	09/28/2015 into the Sheriff's Evidence Room.

2	onto them from the previous shift. Their shift began routinely and					
3	they conducted their normal 15 and 30 minute cell checks of inmates					
4	assigned to Dorm 8A. On this date, there were twenty eight inmates					
5	assigned to Dorm 8A, each inmate is assigned to a single cell. At					
6	approximately 0830 hours, Deputy Bridget performed a cell check of					
7	V01 Roches who was assigned to cell #21. V01 Roches was in his cell					
8	naked, sitting on his bed and was masturbating.					
9						
10	At approximately 1030 hours, Deputy Lozano again performed a cell					
11	check of V01 Roches. V01 Roches was lying on the floor of his cell.					
12	V01 Roches' hands were clenched near his stomach, a pink colored foam					
13	like substance was protruding from V01 Roches' mouth. Deputies Lozano					
14	and Bridget pulled V01 Roches from his cell. V01 Roches did not have					
15	a pulse. Deputies Bridget and Lozano began performing CPR on him.					
16	Jail nurses arrived on scene and continued CPR on V01 Roches. At					
17	approximately 1033 hours, Deputy Bridges broadcast a "man down"					
18	notification over his radio. At approximately 1035 hours, an AED					
19	device was brought on scene. Santa Clara County EMS personnel arrived					
20	on scene, at approximately 1104 hours, EMS Paramedic					
21	pronounced V01 Roches deceased.					
22						
23	Deputies Lozano and Bridget provided us with background information on					
24	V01 Roches. V01 Roches was brought into custody on 9/20/2015 and was					
25	housed in Dorm 4B. On 9/21/2015, V01 Roches had to be "pepper balled"					
26	26 during an incident where he had to be extracted from his cell. VO1					
27	Roches went to Valley Medical Center (VMC) and on 9/22/2015 was					
28	re-housed into dorm 8A. Also on 9/22/2015, V01 Roches fell of off a
